### Party Buffets

Ruddington Grange provides an ideal venue for parties and receptions, whether it be for birthdays, wedding anniversaries, retirements or reunions.

The close proximity to the city centre and major transport links, plus ample parking facilities makes it a convenient choice of venue with local families, businesses, clubs and societies.

The Wentworth Function Suite is a large fully-equipped, self contained unit which is operated separately from the Golf Club facilities thereby ensuring exclusive use when catering formally for 120 seated guests or up to 150 for informal gatherings where the guest mingle. The space benefits from a part covered and fully furnished patio with views down to the first hole of the golf course, a dedicated entertainment alcove and a larger than average dance floor.

The Birkin Suite, on the ground floor, is also available for smaller intimate celebrations. Overlooking the putting green and gardens it offers an alternative option for those not wishing to entertain on a grand scale.

Room layouts are tailored to suit individual requirements and numbers of guests to be accommodated.

We also offer a full range of colour co-ordinated menus, napkins, slip cloths, seating plans and table numbers.
