## Buffets for Wakes

Here at Ruddington Grange we have 2 rooms available for Wakes where we are able to cater for large or small gatherings, providing tea, coffee, buffet and bar.

Set in picturesque and peaceful parkland and **close to Wilford Hill Crematorium**, Ruddington Grange provides an ideal venue for funeral wakes.

The close proximity to the city centre and major transport links, plus ample parking makes it a convenient choice of venue.

## Wentworth Function Suite

A large, fully equipped, self contained unit which is operated separately from the Golf Club facilities thereby ensuring exclusive use when catering for up to 150.

The space benefits from a part covered and fully furnished patio with views of the golf course.

## The Birkin Suite

A light, airy ground floor room with views across the golf course, and gardens, it is situated within the main Clubhouse and ideally suited to smaller parties.

The Clubhouse Bar may be accessed from our roped VIP area to offer some exclusivity in what otherwise is a shared facility.

The buffet service is in an annex and provides access to the gardens if required.

Our dedicated staff are available to advise and assist you with your booking at this difficult time and will be on hand to ensure a discreet service on the day.
